

# Southern AZ Pen Club

## Ink List

This is a list of the ink samples available for Pen Club Members. A review link is provided so you may determine if this is right color for you- of course you never really know until you try it. Please contact us if you would like to reserve a sample, and we will gladly make sure it is available at the next pen meeting. Once samples are gone- they are gone! The list is updated every month. Please be sure to check back. If you would like to donate ink, we would happily take and share.
